Peaceful Return Urn

Paper

Peaceful Return Biodegradable Urns are made of hand-crafted papers and available in four sizes. Each urn includes a biodegradable bag, hemp rope, and a seeded paper leaf. This is a wonderful low-cost alternative to a traditional urn and is a simple and dignified way to honor an individual. The seeded hand-crafted leaf can be planted to yield wildflower blooms of remembrance. The urn can be buried or used as a scattering urn with the special spout design.
